

Vision: Vincennes University is a premier learning institution, widely recognized for leadership in innovation and delivery of successful educational experiences. A broad range of program offerings and a commitment to superior service ensure the University's role as an important link in Indiana's economic and cultural vitality. VU is a diverse community whose members all share responsibility for supporting the University's mission and are respected for their contributions.

Mission: Vincennes University develops people and enhances communities through accessible high-quality educational programs, strategic partnerships, and active engagement.
